

Measures for a carefree, safe vacation

Dear guest,

Before you start your well-deserved holiday with us, we would like to use this letter to give you a brief overview of what COVID-19 measures you can expect at Alpinhotel Monte.

The health of our guests, our employees and our family is very important for us, which is why we point out the generally applicable regulations in Austria.

We keep our distance - for more security!

In addition to the increased cleaning and disinfection processes in the hotel, we will inform you here about changes in your holiday with us:

Your arrival

From May 16, 2022, there will no longer be any obligation to provide evidence, registration or quarantine for entry into Austria. The only exception to this is entry from countries and areas with a very high epidemiological risk. When entering from these states and territories, the 3-G rule applies, registration must be carried out and a ten-day quarantine must be carried out.

No region is currently classified as a State or Region of Very High Epidemiological Risk.

FFP2 Mask

No mask requirement for 3 months

- In essential trade
- On public transport

Masks are compulsory in vulnerable settings

- Hospitals
- Retirement homes
- nursing homes
- Health Services

Culinary

A table is reserved for you at breakfast as well as dinner - with sufficient distance from the neighbouring table.

We have organized additional partitions, so that there is a safe distance.

We **URGENTLY** ask you to use the disinfectant dispenser provided at the buffet before using the serving cutlery. Clean serving cutlery is also always provided and regularly replaced by our staff.

Sauna

The wellness area is longer open from 3:30 p.m. to 7:30 p.m.

Masks are not compulsory in damp rooms!

We also provide a new Wellness bag with XL towels for the deckchairs.

General recommendations

- ✓ I always disinfect my hands when entering the hotel!
- ✓ I regularly wash my hands under warm water with soap!
- ✓ I do not shake hands and hugs!
- ✓ Keep distance to other people

The points mentioned refer to the current status on June 01st, 2022. You can find more information under the following links:
